

T A V E R N A

The philosophy of our meticulously curated wine list at RHO and Taverna focuses on Greek regions showcasing the diversity of exceptional native and quality international varietals from all over the country. The main body of our listings hail from select terroirs and small producers with minimum or no intervention in the vineyard and winery as well as remarkable conventional vinification labels. We hope you enjoy this fascinating journey of wine exploration.

“Excellent wine lists rarely change,
they simply get longer...,”

Head Sommelier, Aris Sklavenitis
